MINUTES OF COUNCIL MEETING ON 2-10-14

MOTION was made by Council Member Neal for the approval and adoption of the 2-10-14 Council Meeting minutes
SECOND was by Council Member Witcher
VOTE unanimous approval of the Council present

Mayor Trautman welcomed members of the Community Relief Board to the Council Meeting.

Mike Padgett addressed the Council on behalf of the Community Relief Fund Board of Glasgow-Barren County. He said the Community Relief Fund is to receive and administer funds and property, tangible and intangible, for the relief of the indigent, distressed and/or underprivileged citizens of Glasgow and Barren County. Mr. Padgett said one hundred percent of the funds, donations and properties, which are given to the Community Relief Fund go to the people in Barren County.

After a short presentation, Mr. Padgett said it is the goal for Community Relief to be innovative and lead the community within their purpose statement. He asked the continued help and increase of local participation and funding so they can continue expansion assistance to those in need. He asked the Council to consider increasing the Glasgow City allocation by $10,000.00 so Community Relief could increase their help to the community.

Council Member Norris said there are major needs in our city for the poor, the hungry and the underprivileged. He thanked Mike Padgett, the staff and the Community Relief Fund Board for all they do for the agency.

Mayor Trautman commented on the reorganization efforts of Community Relief. She said by having Community Relief in a new location makes it more convenient and everything is now at one location.
Billy Ray, Superintendent of Glasgow Electric Plant Board gave the annual report on the operation of the EPB as required by the TVA. The mission statement of the Electric Plant Board is to provide the highest quality electric power, cable television and other telecommunications services at costs which make them practical and improve the standard of living for all the people of Glasgow. EPB not only serves the City of Glasgow with electric service but also offers cable TV service and high speed data services. Ray’s presentation was complete with up-to-date information on the Glasgow Electric Plant Board.
