Council Member Trigg said he attended the Fiscal Court meeting and they asked him to discuss with the City Council if there was the potential of a joint ABC Administrator. He said with a joint ABC Administrator there would have to be an interlocal agreement. Mayor Doty said he would work with the Judge Executive and the Mayor of Cave City to see if they could come to an agreement on a joint ABC Administrator.

BILLY RAY, SUPERINTENDENT OF THE GLASGOW ELECTRIC PLANT BOARD GAVE HIS MANDATORY ANNUAL REPORT ON THE OPERATION OF THE EPB AS REQUIRED BY THE TVA.

Billy Ray explained the rate known as Infotricity was implemented after the Glasgow Electric Plant Board discovered it was charging larger industries more than their fair share for electricity and was serving households and small industries at a loss. This is what caused the EPB to implement the new rate known as Infotricity.

Mr. Ray said the Attorney General hired a consultant to develop a proposed rate structure that would have coincident peaks that would fall on predetermined days.

Council Member Dickinson said Kentucky law requires utility companies to receive an audit each year and the auditor would be of the municipality’s choosing. Dickinson stated the city council did not choose the auditor for the EPB. Ray stated that interpretation had never been furnished to him by our council. Council Member Dickinson requested that the City Attorney Rich Alexander research the issue further.
