VOTE

Prior to the vote, Mayor Doty said the agreement states there will be an appointee by the Judge Executive of a magistrate and an appointee of the Mayor of a council member on the 911 Governing Board. He said Judge Hale strongly wanted the Interlocal Agreement to be amended so that it was not restricted to a magistrate and a council member. Mayor Doty said the city will continue with Mr. Bucher as the Mayor’s designee on the board.

Council Member Dickinson requested the composition of the rest of the board which City Attorney Rich Alexander read. Council Member Bucher said right now we are guaranteed to have two elected officials on the board that are accountable to the voters. He suggested if we amend the agreement in the future we need to use caution. Council Member Norris said it appeared it might be a more diverse hierarchy with the change.

Council Member Honeycutt said that what happens is people such as volunteer fire chiefs, emergency management directors and other emergency personnel approach the board requesting money for things to enhance safety. He said he would feel more comfortable with a city council member and a magistrate making that decision than he would with two laypeople. If someone is deciding between his safety and my tax dollars, he wants someone well informed like a council member and a magistrate, Honeycutt stated. Council Member Dickinson agreed with Council Member Honeycutt.

After a lengthy discussion the motion died.
