Dr. Bharat Mody addressed the council to present his annual report on charities he is involved in. Dr. Mody said contributions to these charities have slacked off, however, demand continues to grow for Community Medical Care, Children’s Day, “To the Brim” Food Drive and Habitat for Humanity, which includes the Habitat ReStore. Helping charity is not just writing a check and making a contribution, Mody stated. He said you have to feel that you are part of a charity and Mody thinks that is the way you will get that happiness and joy about helping charities. He stressed the importance of the need to have council members, other city officials and members of the community as a whole to participate and volunteer. Dr. Mody concluded by saying, “I’m asking everybody here to be a good volunteer, spend your skill, your knowledge to help others and at the same time, make some contribution to a charity.”
